### **Word & Action Inc. Hosts Charity Event in honor of Child Sexual Abuse Survivors**

NORTH MIAMI, FL – Word & Action Inc., in collaboration with Tony Cadet Events & Productions, will host Unmasked: A Masquerade Charity Party on October 27 at Hollywood Live, to celebrate survivors of child sexual abuse.

“Every year, millions of children around the world become victims of sexual abuse and never receive treatment to cope with the trauma. No child should go through this at all!” said Georges Bossous, Jr. the Executive Director and Founder of Word & Action Inc. “In its second year, “Unmasked” is our way of unmasking the hidden traumas of child sexual abuse and raising awareness within our community. We are helping both children and families cope with the trauma to bring an end to the silence.”

One hundred percent of the proceeds will support W&A’s “Strengthening the Family,” a culturally-based approach program to sexual abuse prevention and treatment.
